Re: **Extended Days**

The ECLC offers an Extended Day option of two afternoons (Tuesday and Thursday until 2:00 p.m.) for interested three-year-olds. We feel strongly that three-year-olds are ready for a longer day in a familiar environment that is filled with exciting activities. This option is much less demanding on a child's stamina than exposing them to several outside afternoon classroom classes in an unfamiliar environment.

Extended Day will begin on Tuesday, October 5th. If you are interested in enrolling your child in the extended day program, please let us know your intentions no later than August 20th. **The Extended Day program will be limited to sixteen children. Applications must be mailed. Children will be accommodated on a first come, first served basis. Children must have the full support of their teaching team to be an acceptable candidate into the program.**

If you have any questions, please do not hesitate to call.
